

coram pacey

We are a professional association dedicated to supporting home-based childcare professionals including childminders and nannies.

14,000

Early Years Providers

50%

Registered
childminders

Hello

Coram PACEY, (part of the Coram Group), is passionate about all children getting the best start in life through high-quality early education and childcare.

We are a membership organisation supporting nearly 14,000 early years providers across England and Wales, representing over 50% of registered childminders.

We are your voice.
We challenge government on your behalf on the decisions they make that affect you.
We champion the incredible work that you do, raising the profile of early education and childcare across all sectors and communities.

Coram is the first and longest serving children's charity in the UK. Established as the Foundling Hospital in 1739, today we are a vibrant charity group of specialist organisations – Coram – supporting hundreds of thousands of children, young people and families every year.

Our Impact

With our support, our providers care for some of the most disadvantaged children in England and Wales.

We reach nearly 100,000 children and their families ensuring their providers can give them the best start in life.

100,000

Children & Families

Our members are often the best placed to provide care and education for children with special educational needs / additional learning needs.

70%

Wraparound Care

Children and families wraparound care.

Nearly 70% of our members provide wraparound care, allowing parents the flexibility to work.

Coram PACEY influences policy and practice across England and Wales, making a significant positive impact on those working in the sector.

What are we calling for?

A long-term strategy...

We want an early education and childcare sector that understands the unique value of childminders, nannies and other early years providers and puts them at the centre of addressing the unequal access that causes disadvantaged children to miss out.

And so much more.
