The childcare and early years conference

Building on the success of our conferences, Coram PACEY is back at the iconic Bishopsgate Institute, London on Saturday 6 February 2027 for our annual Childcare and early years conference.

This event aims to develop professionals' knowledge on topics including early childhood development, SEND, inclusion and growing their childcare businesses. We will be providing support in key areas of their business including entitlement funding, inspection changes and protecting their business.

This is a key opportunity to come together to celebrate the importance of home-based childcare for children and families and it's role within the sector. We are looking for partners who share our values and want to support us on the journey to reverse the decline in home-based childcare professionals.

If you would like the opportunity to promote your business and sell products to over 220 professionals then why not exhibit with us?

Exhibitor package

We are looking for companies that sell early years products and services to exhibit at our conference in the exhibition space in the Upper Hall. Childminders, nannies and other home-based childcare professionals love to shop and the feedback from our last conference is that they want to see even more exhibition stands to purchase products for their childcare businesses.

This package includes:

- 1 x trestle table exhibitor stand in our exhibition space
- 2 x tickets for staff
- Access to our complimentary drinks reception where you'll get to network
- Logo and company bio in a dedicated exhibitor solus going out to over 11,000 members
- Logo on event page website
- Logo in conference brochure

£450 + VAT
